## Camper Sponsorship Application

At David Thompson Bible Camp, we have different ways for families to save money for the cost of camp through our Early Bird Discount (-\$25), Family (Additional Child) Discount (-\$25), Bring a friend Discount (-\$25), or Volunteer rebate (50% off), but sometimes life happens and families find themselves in need of additional financial help to offset more of the cost for a week of summer camp, and that's what our Camper Sponsorship is for. As this fund is made available through donations, there is a limited amount of funds. We want to make these funds available to as many campers as needed, so we ask for families applying for a sponsorship to cover the required \$50 pre-registration fee as well as, as much of the registration cost as they able. Please note that the sponsorship may or may not cover up to the full cost of registration.
